10:46 p.m.

Grove Park, Inn, Asheville, N.C., Feb. 2, 1914.

Hon. Jos. P. Tumulty,
Washington, D.C.

I understand the arrangement to have President address National Council Boy Scouts in East Room likely to fail. Would you ask the President if he will not appoint time for an audience some afternoon about February eighth. It will help the cause greatly and I will personally appreciate his assistance. You are aware too that there is another reason I would like to see this done. Please wire.

F. L. Seely.
