### JOINT COMMITTEE ON THE LIBRARY

March 8, 1951

Mr. David Lynn  
Architect of the Capitol  
Washington, D. C.

My dear Mr. Lynn:

The Joint Committee on the Library met in executive session on March 7th and considered a resolution (S. J. Res. 21) to provide for placing a suitable plaque on the base of a statue of Edward Dickinson Baker in the rotunda of the Capitol.

The Joint Committee took no direct action on the joint resolution but instructed me, as Chairman, to direct you to procure such a plaque out of funds presently available to your department for the general maintenance of the Capitol and to affix the same to the statue at the earliest practicable date.

Please advise me of the type of plaque you recommend and its estimated cost.

Yours sincerely,

Theodore Francis Green  
Chairman
