INSECT PESTS COME

Summer pests in the insect world have begun to put in an appearance although not to a great extent as yet. A few mosquitoes have been

observed, especially along the river. Green Bay flies have been observed and some good-sized swarms have been reported from the county. The ordinary house flies have not appeared to any degree thus far, owing to the continued cool weather.

FLAG DAY ON JUNE 14

Governor Issues Proclamation Designating Day. 139th Anniversary Of Flag

Before going onto the operating table in Milwaukee a few days ago, Gov. Philipp signed a proclamation designating June 14 as flag day. This will be the 139th anniversary of the adoption of the American flag. The day is devoted to consideration of what the Stars and Stripes stand for and to inculcating in children a reverent patriotic spirit.

It is not generally known that the American flag is the oldest banner of all the great nations of the world. The older countries have made various changes in their national standards since the Stars and Stripes were adopted in America.

HEBREWS OBSERVE FEAST

Annual Event Commemorated On Wednesday

The Jewish Pentecost or Feast of Weeks (Shabuoth) was celebrated on the 7th of June. Its name is derived from the fact that it is celebrated seven weeks after the second day of Passover. All the biblical injunctions as to the manner in which the feast was to be observed indicate that it was originally agricultural in character. It was in

reality a season of thanksgiving for the harvest that had been reaped, beginning with the barley harvest during the Passover to the wheat harvest at the beginning of the summer. The ceremonial offerings prescribed were in keeping with the God-given gifts of the soil that had been gathered.

In post-biblical times, this feast was observed as the anniversary of the birth of Judaism with the promulgation of the divine Law of Sinai. On this "Day of the Giving of the Law," as it was called by the rabbis, the Ten Commandments constitute part of the Scripture readings in the synagogue. It is this historical aspect in the non-agricultural life which the Jews were compelled to live for centuries.

When the reformed synagogue introduced the rite of confirmation for the Jewish youth, the Pentecost, by virtue of its traditional association with the ancient revelation, was the day most naturally selected for charging the young boys and girls through an impressive public ceremony, with the meaning of the Jewish faith and with the duty of leading a high and religious and moral life.

The agricultural side of the feast, however, was not lost sight of in that it was customary to decorate home and synagog with plants and flowers in season. In addition to a portion from the Pentateuch, the charging story of Ruth was prescribed in the synagog because the idyllic scene of harvesting which it contains was in keeping with the celebration of the Harvest Feast. Those observing customs that originated in post-biblical times add a second day to that enjoined in the Bible.

STEVENS POINT ASTONISHED BY SIMPLE MIXTURE

Stevens Point people are astonished at the INSTANT action of simple backthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY case of constipation, sour stomach or gas. Because Adler-i-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic trouble. W. W. Taylor, druggist.

HE IS A SWINDLER

Smooth Guy Passes Worthless Checks At Wausau Hardware Stores And Makes His Escape

A clever swindler has been working the hardware stores in sections of Wisconsin recently and has secured several hundred dollars, it is thought. The Hardware Dealers' association in this city has sent warning letters broadcast over the state and if the swindler is not caught his method of defrauding will be stopped. Wausau and Racine dealers have notified the association offices here that they were among the list to be taken in. The method used was the same in both cases but the checks were on different banks. At Wausau he used a Merrill check while at Racine he used a Waukegan check.

A copy of the letter sent out by Secretary Jacobs was as follows: "Wausau, Wis., June 2, 1916.—P. J. Jacobs, Sec'y., Stevens Point, Wis. Dear Sir: We were caught by a crook today, so were several othering this is the balance of what I owe

hardware dealers, members of the association. I wish you would notify the members of the association. It may be the means of saving them some money and may be the means of catching them. "This party came to our store at 8 a. m. saying his wife had looked at a range and today being her birthday I was going to surprise her. This was a cash deal. On the 9 o'clock train he expected a check from Merrill. He At 10 o'clock a. m. he comes with a letter from Merrill enclosing up about \$100 here. Yours from a business man in Merrill stat. C."
